### Objective

Software Developer with a positive attitude, strong work ethic, and a keen desire for learning web development. In addition, an experience in ASAC Luminous has enhanced my skills in dealing with programming languages, web design, and problem solving. Currently, I'm seeking to work in the programming industry, the web development department, with a company that improve my skills.

### Experience

- 2016 - 2019 **Norwegian Refugee Council**  
Senior Quality Assurance
- 2012 - 2016 **ITC-International Group's**  
Senior Quality Assurance

### Projects

**SOOQNA**
